Family Fun Day 2018

Welcome to our Family Fun Day!

There is lots to see and do! Children will love our bouncy castle, face painting, glitter tattoos, games and more!

Why not treat yourself too? Grab a drink at the bar, try your luck at our tombola and, of course, don't forget to buy a raffle ticket. If you're hungry, there is lots of delicious food available and live music courtesy of The Cabin Krew in the playground.

Have a fun day!

Meet Kieran. He started at The Log Cabin Charity 10 years ago when he was 5 years old. Here's his story:

"Kieran has severe autism and learning difficulties and he is non-verbal. It was a huge step for me to trust strangers with my baby, especially as his communication skills were so limited. When he started there, I actually sent his younger brother with him so he could tell me if Kieran ate, what activities he did, if he was happy..."

On reflection, I had no need to be concerned. Kieran's behaviour reflected his happiness. He was always very happy to go to Log Cabin and happy when he came home. The staff poured love into Kieran, they learnt very

quickly how to interpret his little sounds and responded quickly to ensure he felt confident and safe.

I will be forever grateful to all the staff at Log Cabin for looking after my baby, the gift of knowing your child with no voice is being cared for and embraced by such inspirational and compassionate people is priceless. And I know the strapping, confident, funny, happy 15 year old I have can be partially accredited to the investment of the staff who became my friends at Log Cabin." - Kieran's mum

Help The Log Cabin Charity support more young people like Kieran and give them the opportunities that other children take for granted. To find out how to make a donation, speak to one of the volunteers here today or visit our website www.logcabin.org.uk

The Log Cabin Charity is a registered charity, Charity No. 1174220
